Like France, where nationalists are on the rise and their pro-EU president François Hollande is ever more beleaguered.

In the middle of all this, though, we learn that France and Germany – always the most enthusiastic members of the larger members of the EU – are planning closer ties.

They want to have an even tighter political union than the one we have now – the one that is increasingly to the dislike of actual voters, if not some of their politicians.

And while this is going on, the Prime Minister invites the European Commission president

Jean-Claude

Jean-Claude Juncker to Chequers for an entirely pointless photo opportunity.

On the face of it, David Cameron opened negotiations for Britain's future relationship with Europe.

Britain's future relationship with Europe.

But what he hopes to achieve is anyone's guess – because he's certainly not telling us yet.

Mr Cameron has, in any case, already indicated that in any future referendum he would campaign to stay in the EU.

Biscuits

And to be a member of the EU eans to have unrestricted means to have unrestricted freedom of movement between member states — which is simply another way of saying "uncontrolled immigration".

"uncontrolled immigration".
So, on the one hand we've got the PM pretending he recognises the will of the British people to finally have a say on our membership of the EU.
On the other, he's offering tea and biscuits to Europe's most senior figure and fully intending to campaign to stay in

to campaign to stay in.

Bear in mind he wouldn't have even considered a referendum if

it were not for the steady rise of UKIP.

Then we have the Labour group, which until May 7 was resolutely against the idea of an in-out vote.

You may have forgotten — and Labour would now like you to — Tony Blair being wheeled out to say a referendum was a bad idea, presenting the notion that mere members of the public could not be trusted to vote the right way.

But that was until May 7, when those same members of the public waved Labour on their way for another five years.

So now they're tripping over themselves to say a referendum would actually be the best thing since sliced bread and it can't come along quickly enough.

I'm not alone in finding this U-turn quite astonishing — and insulting to Labour voters too.

Meanwhile, the European project continues to crumble in the eyes of everyone bar its most ardent supporters.

UKIP will be at the epicentre of the referendum debate.

Anddo you know why? Because we started it in the first place.

Poisoned

The girls claim the blues guitarist's busi-ness manager LaVerne Toney and personal as-sistant Myron Johnson

sistant Myron Jonnson killed King, who died in Vegas earlier this month, aged 89. The lawyer for King's estate, Brent Bryson, blasted their claims as "ridiculous", adding

news@sundaysport.co.uk

three separate doctors had determined King was properly cared for by medical professionals "up until the time that he peacefully passed away in his sleep".

Williams and King allege that Toney – named in King's will as executor of an estate worth tens of millions of dollars – stopped them from visiting King.

The daughters said: "We believe our father was poisoned. We believe he was murdered."

SO reality TV star Mark Wright has finally married Michelle Keegan.

And apparently Mark "broke down in tears" when Michelle arrived at the church — about half-an-hour later than planned.

Maybe he was just relieved she turned up at all!

God, he's so bloody soft it makes me SICK!

He cried on Structly Come Dancing.

Man the f**k up, Mark!

But that wasn't the only big story

Apparently, security was on "high

I don't think Lauren would actually

have done that but she DID disrupt things on social media last weekend.

She posted a picture suggesting that Mark would REGRET marrying Michelle instead of her.

Lauren apparently thinks she's still 'the one' but says they just met when they were too young.

Well, a lot of people are accusing her of being bitter... and to be honest, she does sound it.

But I think she has a point. I don't reckon Mark and Michelle will go the distance – sorry, guys!

They don't strike me as a happy couple when I see them out with each other and that is a bad sign in my opinion.

I'm a huge fan of Adele's – I think she's got a fantastic voice so would justify sitting on the panel.

A FEMALE worker at a care home for troubled teen boys has been accused of having sex with half of them. Katherine Estep, 44 (above), faces a total of 12 charges in a scandal involving five boys. And court files say: "Estep coerced or enticed the young men into cooperating with her with these sexual acts."

Dad Martin, 74, said: "What he was going through at that time, we were powerless to do much except pray for him and lift him up." The West Wing star added: "You have to be aware of the circumstances. You have to be aware of things that the public are not aware of that this is a very lonely man in a very desperate situation.
"Only those of us who knew him understood what was going on.

WELCOME to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week Jaymie Feather has been reading through your letters. And here's her advice for you...

Our sex life's got hole lot better!

Dear Jaymie,

ME and the missus have been married for 10 years, but we've never been that bothered about sex.

Like most people, we were fooking like rabbits the first couple of months, then it sort

of petered out.
But I was reading the
Midweek Sport when I
saw an article which
described shagging in the

doggy-style position.
I asked a work colleague
what it meant and he explained

it was doing it from behind – like a rampant dog. Anyway, when I got home from work that night I suggested to

the missus that we have an early night – and she agreed.

We went upstairs, stripped off and dived under the duvet.

She gave me a quick gobble to get my knob erect and I licked her pussy to get her juices flowing.

Then I asked her to get on all fours on the bed. She looked at me quizzically, but I explained about doggy-style and she agreed to give it a go. to give it a go.

Speed

She got on her hands and knees and I rammed my rock-hard dick up her flue and began pounding

her hard.

But as I began to speed up, my knob slipped out and flew up her poo-pipe. She howled and I thought I had

hurt her, so I stopped. But she asked me to get it back in quick because she loved it.

I did as I was told and she set

off howling again. Shortly after, I had the most amazing orgasm and collapsed on top of her.

We lay there for a while and then she told me she'd heard of anal sex but never fancied it.

However, she said that it was so good she wanted to try it again.

A couple of minutes later we

A couple of minutes later we were at it again – and this time I reached around and began flicking her clit until she

I reached around and began flicking her clit until she climaxed again.

Now we have doggy-style and anal every night. What are your thoughts on doggy-style and anal?

DP, East London

Jaymie says...

THAT'S a very personal question to ask a lady, so I will keep my answer short and sweet. That's for me to know and you to find out – which

Dear Jaymie,

I'M a 17-year-old apprentice with an engineering firm and after getting in the works' footie team I was the top scorer.

As a result, the captain invited me on his stag weekend in Dublin. There were 20 of us and we all pulled a bird on the first night.

My girl was 24 and after we'd been at the stout we staggered back to our hotel, where she smuggled me up to her room.

She stripped to her panties. I groped and sucked her tits, which were an F-cup.

Then she went down on me and gave me the best blowjob I'd ever had before spreading her legs to show me her wet lips.

I was down there like a rat down a hole. Then I turned her over and whacked it into her doggy-style.

Then I turned her over and what her doggy-style.

After half-an-hour we both screamed as we came and collapsed in exhaustion.

But since I got back to England I've been getting lots of texts from her saying she wants to come over and move in with me. But I live with my mum. What should I do?

NM, Kent

Jaymie says...

TELL her the truth. You don't owe this girl anything – she enjoyed herself as much as you.

Dear Jaymie.

I'M trying like crazy to get my window cleaner to roger me stupid.

I always make sure that when he calls round I'm wearing something that is bound to catch his eye – tight jeans, loose-fitting tops.

I've even come to the door in a dressing gown and let it slip open so he can see my shaven gash.

When I pay him I always rub my firm 34D breasts up against his manly chest.

I know it turns him on as his trousers bulge – and he looks a big boy in all areas.

I'm that desperate to bed him that next time he calls for his cash, I'm going to answer the door completely naked and begin fingering my fanny.

He's a 6ft 4in hunk and i can't understand why he's not made a move.

Have you any idea what I could do to pull, as I'm getting so frustrated?

WS, Somerset

Jaymie says... Letter of

HAVE you ever considered he just might not fancy you? But I'm sure that's not the case. I think you're trying too hard. Try playing it cool and I'm sure he'll give you a squeegee.

Suck

I RECENTLY moved to a new house and my neighbour, a tasty sort in her late 30s, soon introduced herself.

She invited me to a quiz night at the local boozer with her and two mates. I thought I'd have a good chance of pulling her, so I said yes.

When I got there her mates were at the bar. They were also late 30s, blonde and sexy.

It soon became clear that they were not interested in the quiz—they wanted me.

I invited them back and they took turns to suck me off. I shagged all three before they got down to some lesbo fun. It was great to watch them sucking each other's tits and clits.

To finish, my neighbour stuck a dildo up my arse while I took one of her mates from behind as she licked her pal out.

We don't go to the quiz nights now, they just come to my place and we for the same are now looking for houses here.

JY, Essex

Jaymie says...

I BET they are. The only question these naughty ladies will know how to answer is: "Do you want it up the arse or fanny?"

ww Tamedlife.com

It's good, clean fun

Dear Jaymie,

IVE become a bit obsessive about cleanliness. I am so determined to be clean that I insisted we install

I told my husband I had to have a walk-in shower room and the work would cost a couple of grand. He was dead against it, but after a few sexual favours – blowjobs and anal – he finally agreed. We had it installed and, apart from being well-scrubbed all the time, it's transformed our sex life. We've been shagging like randy teenagers. We christened the shower as soon as the tiles were set and now have rampant sex under the powerful, pulsing jets of water every day.

I particularly love it when I perform a handstand and my hubby goes down on me.

But I have become addicted to showering and shower gel is costing me a fortune. Any ideas on how to keep the cost down?

DNIPROV Dnipropetrovsk, bloomin' heck if you got that as a hand in Scrabble you would kick the table over in disgust.

For your information, Dnipropetrovsk or, if you like, Dnepropetrovsk, once known as just plain old Ekaterinoslav is Ukraine's fourth largest city, with about one million is behivered. inhabitanta

It is 242 miles southeast of the capital Kiev on the Dnieper River, in the south-central part of Ukraine. Thanks to Wikipedia for

that.

With just one game remaining, they lie third in the League but well adrift of more famous rivals Dynamo Kiev and Shaktar Donesk.

Kiev and Shaktar Donesk.

They celebrate their centenary in three years time having been formed in 1918 for the benefit of workers at an industrial college, the region being the home of the USSR metallurgy industry.

We know a bit more about tonight's rivals Sevilla and a

big up to the Spanish lads for their delicious oranges

It might be a crazy name but Dniprov are no crazy side. were twice champions while still part of the Soviet Union and

were runners the up in Ukraine last

But the comparative fame of the two tame of the two sides is reflected in the match odds with Sevilla 8/15, Dniprov 11/2 and the draw 3/1.

If you want to back the Ultravione was told the draw and the draw and

Ukranians you can take comfort from the fact they put take out Napoli to reach tonight's final in Warsaw and the Italian side are no mugs.

Dniprov's top scorer is Nikola Kalinic (pictured) who

has bagged 18 in all competitions this season. You can have 10/1 about him being fastest off the mark tonight.

It is hard though to see Sevilla messing this up, especially with the winners being rewarded with a place in the Champions League for the first time this season.

They rounded off their Spanish League on Saturday with a stylish 3-2 win at Malaga, a victory which bagged them a finishing position of fifth

There is no fun in backing them at 8/15 so the correct score of 2-0 appeals at 6/1.

A win while keeping a clean sheet is 11/8 for Sevilla but

that is a wager that has you gawping nervously at the screen from the first minute to the last.

Jose Antonio Reyes is in excellent form and the 7/1 about him as first goalscorer looks generous

looks generous.

For a bit of small-stakes fun you can combine those two options for a Scorecast at

Most Spanish sides aren't slow at proving gravity really does exist so it's interesting you can have 3/1 about there being a penalty awarded at

being a penalty awarded at some stage of the game.

That looks tall because it's surprising how often you do get a spot-kick in these big European finals. The ref likes to make sure his mum can see him on the telly after all.

BETS: Reyes and 2-0 Scorecast (33/1); Sevilla to win 2-0 (7-1).

Christmas Eve waiting for the fat bloke dressed In red to drop off presents.

You guessed right, it's Derby time and I absolutely love it the Yanks can keep their Super Bowl there is nothing that comes close to the William Hill Greyhound Derby for me.

Just the 255 greyhounds are chasing the winners prize of £250,000 and you will get all your Derby information here for every single heat.

Pundits will be tipping four, five or even six greyhounds for Derby glory forget that have your money on one greyhound; Newinn Yolo at 33/1.

He is a machine and I'm super confident even though he's got a terrible first-round draw that come the June 27th Pat Rosney's greyhound will be crowned king of the greyhound world.

DEREVEETS

Newinn Yolo 33/1 each-way Pat Rosney to train the winner 14/1

PAT ROSNEY ON NEWINN YOLO

"He is more suited to Wimbledon than Shawfield but he's got a terrible draw.

"I could not be happier with him, he is a terrific greyhound who can do it from the front or from behind which is always a good trait to have. So many greyhounds these days need to lead to win but he is not one of them but if he does lead it's all over with.

"I will take second place now tonight and be happy to qualify. Of my team I'd probably say he is the one who is the most likely but we have a strong team.

GIVE THE LIVERPOOL JOB TO 25/1 CARR

DESPITE what the club says, a 6-1 drubbing from Stoke City has surely sealed Brendan Rodgers fate at Liverpool.

It was the Kop's worst defeat in 52 cars and the Reds were truly terrible. When you consider some of the teams they have faced in winning five European Cups and umpteen other pots of silverware to have Stoke City turn them

over so mercilessly and shatter that record is galling for the Anfield faithful. No offence to City but they are hardly an AC Milan or a Borrussia

Moenchengladbach.
So the bookies are forming markets on who will follow Rodgers into the Liverpool

And the eye-watering one is that Carlo

Ancelotti is a general 33/1 yet Paddy

ower are offering only 6/1.

Do the Irish lads know something the others do not?

Paddys make Rafa Benitez their evens favourite and the love affair between him and the Kop has always been mutual. But Real Madrid are also in the hunt which makes that price too small.

Juurgen Kloop is second in at 2/1 but there are no odds for his brother Klippety! Or an off the wall one, how about Jamie Carragher at 25/1. He's another of Liverpool's favourite sons and he has intimated he would take the Job on. Oh the look on Raheem Sterling's face would be priceless as Carra turned the door.

WE'RE WAY AHEAD OF THE FIELD FOR RACING

Strauss added: "His expertise in the shorter forms of the game will be vital as we build towards three major ICC events over the next four years.

Drogba: I couldn't score past my Blues

DIDIER Drogba says he could NEVER play for another Premier League

The Ivorian was given a hero's send-off at Stamford Bridge on Sunday when his team-mates chaired him from the field.

And the big man says playing against his beloved Blues would break his heart.
Drogba said: "I would

He has one year left on his contract and Drogba has told Cech to see it out because he is "made welcome" at the Bridge.

The striker said: "I think the club should keep him because we know who Petr Cech is at this club.

"If he wants to stay, he can stay, I think he is more than welcome here. If he wants to go, it's his choice as well. It's up to him, but we want him to stay."

As for Drogba himself, he looks set to follow Frank Lampard and Steven

The 37-year-old knows
the clock is ticking on his career and he doesn't want to spend his time getting splinters in his arse on the

FA CUP FINAL AT WEMBLEY: THREE DAYS TO GO

Arse aches over late final date

ARSENAL manager Arsene Wenger goes into Saturday's FA Cup final against Aston Villa with fears the late end to the campaign is putting pressure on some of his

stars.

Moving the FA Cup final from the start of May to the end of the month means there is little breathing space for players like Alexis Sanchez and David Ospina to recover before they vanish to the Copa America.

Sanchez will lead the Chile front line while goalie Ospina protects Columbia's rearguard.

Their preparations will start almost immediately with the tournament starting on June 11 and — given successful campaigns—not end until July 4.

Then they will be up for club training with next seaon's Prem campaign starting a week earlier than normal on August 8.

"Moving the fixture"

earlier than normal on August 8.

"Moving the fixture calendar forward deeply affects pre-season and I believe it is the wrong decision of the Premier League to start on August 8," said Wenger, whose side at least ended the Premier League campaign in third place and so avoided a Champions League play-off.

"The players have played the World Cup, then you have no winter break, you come out of the Premier League and when you reach the FA Cup final, you play on May 30, then the Copa America, then the European players who are called up by their international teams play until June 14, then you start again on August 8.

"If you count six weeks' preparation, where is the time for recovery?"

to take hosts Chile all the way to the final in Santiago.

The Arsenal boss said: "I feel this competition is a bit too much. I will watch it, but with a little bit of fear because Sanchez has played 50 games for us and goes there again, having already played in the World Cup last summer. I think FIFA was wrong to sanction it."

Villa boss Tim Sherwood also had Wembley worries with the news that Danish centre-back Jores Okore is still struggling with knee complaints after making his comeback from a cruciate ligament injury suffered last season.

season.
Okore was rested on Sunday and has sat out Sunday and has sat out of all training sessions in a bid to make the Wembley showpiece but already the centre-half has been warned that surgery may be the only way to rectify the problem this summer.

may be the only way to rectify the problem this summer.

Sherwood said: "If I want anyone to be in the trenches with me it would be him. Unfortunately the knee is too bad so he is going to need some assistance on that.

Asked if he will be fit for the cup final, Sherwood said: "In his mind he thinks his job is done because he is doing it for the team. That's the way he feels. I want him fit. Then I can make a choice.

"He really has gritted his teeth and got us over the line in the Premier League because he thought that was the priority.

"He is not thinking about himself. His performances, particularly with this injury considered, have been excellent.

"The players are going in trying to do their job having at times only been able to train once a week, especially when you need to be switched on and fit, so I think they have done brilliantly."

Neil to give squad a chance

NORWICH boss Alex Nell knows it will be a steep learning

curve in the Premier League next season.
The 33-year-old has done a brilliant job in getting the
Canaries back into the top-flight via the play-offs.
But he knows the hard work to stay there needs to start
immediately and he's already looking at his

squad.

Neil said: "You are always evolving as a person, coach and manager. I am certainly better than what I was two years ago. I will have to learn fast, but I am prepared to put the hours in to make us as equipped as can be to

compete.

"The next couple of days will be busy, we have two plans set in place in terms of recruitment, so we need to look at that.

"We will need to add quality to the squad, but I will stick with the hard-core group of the squad make sure they get their opportunity of going up."

BOURNEMOUTH have made an early move to strengthen their squad for their Premier League debut with the signing of goalkeeper Artur Boruc.

Before his arrival in September, the Cherries had fallen to 15th place in the Championship having conceded 10 goals in a five-match winless run.

However, Boruc, who missed the 2-0 defeat at Derby, started 16 league games and helped Cherries to 12 wins and four draws which took them to the top of the table.

Fans welcomed the signing on social media with one cheering: "We got a big Pole in our goal!"

DI MATTEO **LOOKS ON**

FORMER Chelsea gaffer Roberto DI Matteo could be his way back to British football after walking out on

German side Shalke 04 yesterday.

Di Matteo has only been manager there since last

November since the sacking of Jens Keller and he led the

Bundesliga outfit to a finishing position of sixth.

As a player Di Matteo served Chelsea with distinction

scoring 26 goals in 119

appearances between 1996 and 2002 and made his name as a manager in England where he took charge of MK Dons, West

Brom and Chelsea. He was only caretaker boss at Chelsea for a spell in 2012 but led the blues to their first Champions League trophy and doubled it with FA Cup success.

Bizarrely he was sacked the same year.

There is every chance Di Matteo will be on his way back to this country.

BIG Sam **Allardyce** walked away from West Ham United at the weekend with all parties saying it was by mutual consent.

But the fact it took just three minutes to pack his bags after the 2-0 defeat at Newcastle United on the final day suggest it was more at the club's behest than the manager's.
But this is where the

But ultimately they wanted a new manger to oversee their final season at the Boleyn Ground before their high-profile move to the Olympic Stadium.

Pelle digs in at City

MAN CITY boss Manuel Peliegrini is talking up the club's chances of winning back their title next year. It's thought that the club's bosses have given the Chilean just one season to bring the title back — and to do a lot better in the Champions League.

Elther way, it looks like the megabucks City owners have their heart set on getting Pep Guardiola in this time next year.
